SOME ADVISES AND RECOMMENDATIONS

You can pick up your accreditation and conference material at 8:30h right at the entrance of the 'Ángel Rodríguez' conference room, in the Faculty of Geography and History.

You can transfer your presentation (.ppt or .pdf) to the computer in the hall during the coffee breaks or during the lunch break. One of the conference organisers will help you.

Please remember that your presentation cannot last longer than 10 min. Please keep to the time limit as much as possible out of respect for your fellow participants and the timetable.

Coffee breaks will be held outside the faculty, in the 'Café Ateler' for 30 minutes.

The conference does not cover lunch or dinner for participants.

The closing ceremony will be held in the Aula Salinas de las Escuelas Mayores of the University of Salamanca (straight ahead at the entrance of the rich facade of the university and to the right).
